**CRITIQUE OF THE ANNUAL ADMINISTRATIVE REPORT OF DEPARTMENT OF SPORTS  
AND YOUTH AFFAIRS, HARYANA FOR THE YEAR 2017-18**

In comparison with the year 2016-2017 the Department of Sports & Youth Affairs made more concerted efforts to give a fillip to sports in the state during the year 2017-2018. More incentives were given to popularize sports in the state. Special attention was given by the Department to implement various schemes for sportspersons effectively and efficiently.

During the period under report, an amount of Rs. 45.58 lac was given to 2775 sportspersons under the "Scholarship Scheme". 343 Swarn Jayanti Nurseries were allocated in all districts of the state. For the success of these nurseries regular vigil at the achievements of the nursery players is required.

There was a marked increase in participation in sports during the year under report as compared to the last year. A number of sportspersons of Haryana excelled in various sports meets at the national and international level. Yet much remains to be done as far as promotion of sports is concerned. Sports infrastructure like stadia, gymnasia, swimming pools, playfields etc. are needed to be built in large numbers. For the promotion of sports, a swimming pool, stadium/gymnasium hall and playfields are essential at each district headquarter. The Department liberally sanctioned grants to the District Sports Councils during this year for the development of sports infrastructure in the state. An amount of Rs. 56.08 crore was distributed to different District Sports Councils for this purpose. The Department successfully ran 16 Yoga Centres in different districts of the state. Raising the standard of sports has always been the endeavour of the department. With this goal in view Khel Mahakumbh 2017-18 was conducted in the state. The main objective of this was to inculcate of spirit of competition amongst the players. We hope that sportspersons of Haryana will bring more laurels to the state and the country in near future.
