3.2.2 The Bidder shall be selected on the basis of QCBS Method, whereby technical proposal will be allotted weightage of 70% and financial proposal will be allotted weightage of 30%. The proposal with the lowest bid shall be given a financial score of 100 and the other proposals shall be given financial scores that are inversely proportionate to their bid. The total score, both technical and financial, shall be obtained by weighing the quality and cost score and adding them up.

### **3.3. Evaluation of Financial Proposal**

3.3.1 In the second stage, the financial evaluation will be carried out. Each Financial Proposal will be assigned a financial score (SF).

3.3.2 For financial evaluation, the total cost indicated in the Financial Proposal will be considered.

3.3.3 The DSYAGOH will determine whether the Financial Proposals are complete, unqualified and unconditional. $$S = ST \times 0.70 + SF \times 0.30 \quad (\text{Where } S \text{ is the combined score.})$$

3.4.2 The Selected Bidder shall be the First Ranked Bidder (having the highest combined score). The Next Ranked Bidder shall be kept in reserve and maybe invited for negotiations in case the selected Bidder withdraws or fails to comply with the requirements specified in this document.

- (b) Having selected the firm on the basis of, among other things, an evaluation of proposed key professional staff, the Client expects to negotiate the contract on the basis of the experts named in the proposal. Before contract negotiations, the Client will require assurances that the experts will be actually available. The Client will not consider substitutions during contract negotiations unless both parties agree that undue delay in the selection process makes such substitution unavoidable or that such changes are critical to meet the objectives of the assignment. If this is not the case and if it is established that key staff were offered in the proposal without confirming their availability, the firm may be disqualified.
- (c) The negotiations will conclude with a review of the draft form of the contract. To complete negotiations the Client and the firm will initial the agreed contract. If negotiations fail, the Client will invite the firm whose proposal received the second highest score to negotiate a Contract.
